CARE

Skin cleanser for heavy contamination. No water required.

Scrubber free cleanser to use with or without water. Skin friendly ingredients. Ideal for oils, fats, lubricants, dusts etc. A powerful yet gentle solution for keeping your hands clean and fresh. This advanced formula harnesses a blend of premium ingredients to deliver a superior cleanse.

Product Properties:

Sodium Laureth Sulphate: Effectively removes dirt and oils, leaving hands feeling clean without drying out the skin.

Glycerin: A natural humectant that draws moisture into the skin, preventing dryness and keeping hands soft.

Caprylic/Capric Triglyceride: A mild and skin-loving emollient that helps balance moisture levels, leaving hands smooth and nourished.

Cocoamidopropyl Betaine: Derived from coconut oil, it helps enhance the cleansing power while being gentle on skin, making it ideal for frequent use.

Hydroxyethylcellulose: This plant-derived thickener ensures a smooth texture, providing a rich, luxurious feel with every use.

Polyquaternium-7: A conditioning agent that leaves hands feeling soft and moisturized without the greasy residue.
